Application No. 31671

ORIGINAL

O R D E R

The Department of Public Works of the State of California is authorized to widen the crossing of State Route 7 at grade with tracks of Sacramento Northern Railway Company, (Crossing No. 8G-4.3) near Vacaville, Solano County, as described in the application and in accordance with the plan attached thereto. Construction shall be equal or superior to Standard No. 2 of G. O. No. 72. Protection shall be by 3 Standard No. 5 crossing signals. (G. O. No. 75-B).

Construction expense shall be apportioned by agreement between the parties or, if they fail to agree, by further order of the Commission. Maintenance cost outside of lines two feet outside of rails shall be borne by applicant. Sacramento Northern Railway Company shall bear maintenance cost between such lines.

Within thirty days after completion pursuant to this order, applicant shall so advise the Commission in writing. This authorization shall become void if not exercised within two years unless time be extended, or if above conditions are not complied with. Authorization may be revoked or modified if public convenience, necessity, or safety so require. The effective date of this order shall be twenty days after the date hereof.

Dated at San Francisco, California, November 8, 1950.
