(First Supplemental)

FIRST SUPPLEMENTAL ORDER

By Decision No. 44440, dated June 27, 1950, the Commission authorized Peninsula Service Corporation to issue and sell 900 shares of common stock at \$10 per share, for the purpose of paying indebtedness and of financing in part the cost of constructing a water system in the County of Santa Clara, near Mountain View. The time within which applicant may issue and sell its shares of stock expired October 31, 1950.

In its first supplemental application dated October 30, 1950, applicant reports that it has issued and sold only 50 of said shares of stock but that it desires to proceed with the sale of the remaining unissued shares. Accordingly it requests additional time within which to do so.

The Commission has considered this matter and is of the opinion that applicant's request should be granted, as herein provided; therefore,

IT IS HEREBY ORDERED that the time within which Peninsula Service Corporation may issue and sell the unissued shares of stock authorized by Decision No. 44440, dated June 27, 1950, be, and it hereby is, extended to and including October 31, 1951.

This first supplemental order is effective upon the date hereof.

Dated at San Francisco, California, this 21st day of November, 1950.
