

Decision No. 45152

ORIGINAL

BEFORE THE PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA

APPLICATION OF CONSUMERS HOLDING COMPANY
FOR A CERTIFICATE OF PUBLIC CONVENIENCE
AND NECESSITY TO OPERATE AS A PUBLIC
UTILITY WATER CORPORATION.

Application No. 30723
Amended.

ORDER OF DISMISSAL

In the above proceeding, applicant filed for a certificate of public convenience and necessity to construct and operate a public utility water system to serve a parcel of land near Baldwin Park, Los Angeles County. Said application was dismissed for lack of prosecution by Decision No. 43962, dated March 21, 1950, as it appeared arrangements had been made to obtain water service for said parcel from the Roy E. Rankin Water System, a public utility.

Applicant later requested that the Order of Dismissal be set aside and that the application be reinstated, which request was granted by this Commission by Decision No. 44049, dated April 18, 1950.

The matter was set for hearing on Wednesday, December 6, 1950, at 2 p.m., in the Commission's Court Room, 145 South Spring Street, Los Angeles, California.

On November 21, 1950, Lance D. Smith, counsel for applicant, advised this Commission in writing that his client, the Consumers Holding Company, would not press its demands for a certificate of

public convenience and necessity and that a hearing would therefore not be necessary on the above application.

IT IS HEREBY ORDERED that the above application be dismissed.

Dated at San Francisco, California, this 19th day of December 1950.
