Case No. 4808

RECEIVED  
PUBLIC UTILITIES COMMISSION  
STATE OF CALIFORNIA  
DECEMBER 11 1950

SUPPLEMENTAL OPINION AND ORDER

By petition filed December 9, 1950, Southern Pacific Company seeks authority to enlarge its pickup and delivery zone at Placerville and to apply Placerville rates to the enlarged territory.

The verified petition shows that the areas proposed to be added to the present Placerville pickup and delivery limits are contiguous to and actually a part of the community; that the areas are situated within three miles of the corporate limits of Placerville; and that petitioner desires to provide the same service and rates throughout the community. Because of the relatively short distances involved, deviations from the applicable minimum rates will be slight.

Competing carriers have been notified of the filing of the petition. No objection has been offered to its being granted.

It appears that this is a matter in which a public hearing is not necessary and that the granting of the sought authority is justified.

Therefore, good cause appearing,

IT IS HEREBY ORDERED that petitioner be and it is hereby authorized to enlarge its pickup and delivery zone at Placerville, as requested; and to establish for the transportation involved, not earlier than five (5) days after the effective date of this order and on not less than five (5) days' notice to the Commission and the public, rates no lower than those prescribed for like transportation to and from Placerville.

The authority herein granted shall expire sixty (60) days after the effective date of this order.

This order shall become effective twenty (20) days after the date hereof.

Dated at San Francisco, California, this 19<sup>th</sup> day of December, 1950.
