 order authorizing the construc- )  
 tion at grade of industrial spur ) Application No. 31970  
 track across Second and King )  
 Streets, in the City and County of )  
 San Francisco, State of California.)

O R D E R

Southern Pacific Company is authorized to construct one additional spur track at grade across Second Street and a portion of King Street in San Francisco, at the location described in the application, to be identified as a portion of Crossing No. ED-0.21-C. Construction of said crossing shall be equal or superior to Standard No. 2 of G. O. No. 72, without superelevation and of a width to conform to the portion of the street now graded, with tops of rails flush with the roadway and with grades of approach not exceeding two per cent. Protection shall be by existing Standard No. 1 crossing signs (G. O. No. 75-B). Applicant shall bear entire construction and maintenance expense.

Within thirty days after completion pursuant to this order, applicant shall so advise the Commission in writing. This authorization shall become void if not exercised within one year unless time be extended or if above conditions are not complied with. Authorization may be revoked or modified if public convenience, necessity, or safety so require.

Applicant alleges that the spur track is needed in order to avoid delays in switching cars of Hershey Chocolate Company and

requests that this order be made effective immediately.

The effective date of this order shall be the date hereof.

Dated at San Francisco, California, this 19<sup>th</sup>  
day of December, 1950.
