Application No. 31294

ORDER OF DISMISSAL

The subject application was originally heard and submitted on August 28, 1950, the applicant being present in person and with counsel. Thereafter the Commission reopened the matter to permit the applicant to introduce additional evidence. The further hearing was set for 10:00 a.m. on December 8, 1950, in the Commission Courtroom in Los Angeles. Notice of the further hearing was served on applicant and his attorney more than ten days prior to the further hearing. The further hearing was called at the time and place set for the further hearing, and there being no appearance by either applicant or his attorney at that time and place, no good cause appears why said application should not be dismissed.

IT IS THEREFORE HEREBY ORDERED that said application
be, and it hereby is, dismissed.

Dated at San Francisco, California, this
19th day of December, 1950.
