

Decision No. 45220

BEFORE THE PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA

In the Matter of the Establishment of
just, reasonable and nondiscriminatory
maximum or minimum or maximum and
minimum rates, rules, classifications
and regulations for the transportation
of property for compensation or hire
over the public highways of the City
of Los Angeles.

Case No. 4121

SUPPLEMENTAL OPINION AND ORDER

City Carriers' Tariff No. 4 - Highway Carriers' Tariff No. 5 provides minimum rates for the transportation of general commodities by city and highway carriers within the Los Angeles drayage area. The tariff is inapplicable on commodities for which rates are provided in other minimum rate tariffs. These exceptions are listed in Item No.40 series of the drayage tariff. At the various times when they were listed, they conformed strictly with the proceeding, decision and tariff numbers and commodity descriptions of the other minimum rate tariffs. Subsequently, new proceedings resulted in amendatory decisions, tariffs were revised or reissued and commodity descriptions changed. In the interest of clarity and uniformity Item No. 40 will be amended so that up-to-date references will be made to other minimum rate tariffs. A public hearing is not necessary.

Therefore, good cause appearing,

IT IS HEREBY ORDERED that City Carriers' Tariff No. 4 - Highway Carriers' Tariff No. 5 (Appendix "A" of Decision No. 32504 as amended) be and it is hereby further amended by incorporating therein Ninth Revised Page 13 cancels Eighth Revised Page 13, which page is attached hereto and by this reference made a part hereof.

This order shall become effective February 1, 1951.

Dated at San Francisco, California, this 3rd day of January, 1951.
