The above application was heard on October 27 and November 3, 1950, and submitted. Thereafter, on November 21, 1950, the application was granted by the Commission by its Decision No. 45015. On December 1, 1950, a petition for rehearing was filed on behalf of parties using applicant's Santa Monica-Malibu Colony Line. Pursuant to this petition, the Commission, on December 12, 1950, granted a rehearing on the application, and set the application for further proceedings on December 20, 1950. On December 21, 1950, Howard Van Wagner and Henry Turcotte, copartners, and Shoreline Transit, Inc. filed their Application No. 32003, requesting authority of the Commission to transfer applicant's operative rights, as they presently exist, from applicant to said copartners. The rehearing on the application herein was called on December 20, 1950, and, there being no appearances for applicant or protestants, was continued to December 28, 1950. On December 28, 1950, the Commission was advised by the applicant herein that Application No. 32003 had been filed, and requested that, if the Commission

The Commission has, this day, granted the authority requested by Application No. 32003.

For the foregoing reasons, and at the request of the applicant,

IT IS HEREBY ORDERED that Application No. 31812, be, and it hereby is, dismissed and Decision No. 45015 be, and the same hereby is, revoked and annulled.
