Application No. 32278

OPINION AND ORDER

Applicant, 3 G Grain Dryer & Elevator Co., a corporation, conducts a public utility warehouse operation at Cement City, Solano County. By this application authority is sought to sell the warehouse property and equipment to H. B. Mace for a cash consideration of \$214,169.83.

The verified application states that all of the shares of 3 G Grain Dryer & Elevator Co., are owned by the Gordon Greene Guiberson Trust; that the trust is disposing of all of its interests in California; that Mace is a long-time resident of the area in which the warehouse is located; that he is familiar with the storage requirements of that area; and that he will be able to continue satisfactorily the warehouse operation in question. No change is proposed in the service available to the public.

It appears that this is a matter in which a public hearing is not necessary and that the application should be granted.

The action taken herein shall not be construed to be a finding of the value of the property herein authorized to be transferred.

Therefore, good cause appearing,

IT IS HEREBY ORDERED that 3 G Grain Dryer & Elevator Co., a corporation, be and it is hereby authorized to transfer, within sixty (60) days after the effective date hereof, the public utility warehouse property involved in the above-entitled application; that, prior to the effective date of said transfer, 3 G Grain Dryer & Elevator Co., a corporation, and H. B. Mace shall, on not less than five (5) days' notice to the Commission and the public, supplement or reissue the tariffs on file with the Commission insofar as they name rates, rules and regulations governing the warehouse operations here involved to show that 3 G Grain Dryer & Elevator Co., a corporation, has withdrawn or canceled and that H. B. Mace has concurrently adopted or established as his own said rates, rules and regulations; and that the tariff filings made pursuant to this order shall in all other respects comply with the regulations governing the construction and filing of warehouse tariffs set forth in the Commission's General Order No. 61.

The effective date of this order shall be twenty (20) days after the date hereof.

Dated at San Francisco, California, this 17th day of April, 1951.
