Application No. 32289

O P I N I O N

Pursuant to Decision No. 35391, dated May 19, 1942, in Application No. 23028, applicant was authorized to operate a passenger stage service, maintaining a schedule of one round trip, over and along the following route:

"Beginning at the intersection of U. S. Highways Nos. 60 and 395; thence along U. S. Highway 395 to Perris; thence via State Route No. 74 to Hemet, with diversion to Ryan School of Aeronautics, over an unnamed county road."

This service was instituted and operated primarily for the accommodation of army and air forces stationed at Ryan School of Aeronautics, known also as Ryan Field. Subsequently, an "on call" service was established, which rendered unnecessary the regular certificated service, and which was thereupon abandoned on July 22, 1944. However, applicant failed to notify the Commission of such abandonment and attributes his neglect to oversight and press of other business.

With no service rendered for over six years, and apparent lack of present or anticipated need for any service, it is obvious that the operating right should be cancelled, and we so find. A

public hearing is not required.

O R D E R

IT IS ORDERED THAT P. C. Cross be and he hereby is, authorized to discontinue and abandon passenger stage service between Box Springs and Hemet via Ryan Field as authorized by Decision No. 35391;

IT IS FURTHER ORDERED that the certificate of public convenience and necessity heretofore granted to P. A. Cross, in Decision No. 35391 on Application No. 23028, is hereby revoked and annulled, and all tariffs and time schedules, filed thereunder, are hereby cancelled.

The effective date of this order shall be 10 days after the date hereof.

Dated at Los Angeles, California, this
8th day of May, 1951.
