Application No. 32357

ORDER

Southern Pacific Company is authorized to construct a side track at grade across Service Road, approximately one-half mile South of Ceres Station, Stanislaus County, at the location described in the application, to be identified as a portion of Crossing No. B-118.1. Construction of said crossing shall be equal or superior to Standard No. 2 of G. O. No. 72, without superelevation and of a width to conform to the portion of the road now graded, with tops of rails flush with the roadway and with grades of approach not exceeding two per cent. Protection shall be by existing Standard No. 1 crossing signs (G. O. No. 75-B). Applicant shall bear entire construction and maintenance expense.

Within thirty days after completion pursuant to this order, applicant shall so advise the Commission in writing. This authorization shall become void if not exercised within one year unless time be extended or if above conditions are not complied with. Authorization may be revoked or modified if public convenience, necessity, or safety so require.

Applicant alleges that it is desired to complete this crossing before the commencement of the heavy freight season and requests that this authority be made effective immediately.

For this reason, the effective date of this order shall be the date hereof.

Dated at Los Angeles, California, May 8, 1951.
