FIRST SUPPLEMENTAL OPINION AND ORDER

By virtue of Decision No. 45016, dated November 21, 1950, the applicants appearing in the caption hereof were granted certificates of public convenience and necessity authorizing operations as highway common carriers for the transportation of lumber and forest products between various points and places in California.

On April 13, 1951, A. H. Glickman, Agent, California Motor Tariff Bureau, San Francisco, the authorized tariff publishing agency of the above-mentioned carriers, filed a petition asking for an extension of time in which to file the tariffs required by the above-mentioned decision.

The petitioner alleges that because of unforeseen circumstances, said petitioner has been unable to effect tariff filings in compliance with the terms of the Commission's order because the tariff compilations necessary to establish the required rates to and from the points between which service has been authorized involve a computation of several thousand constructive highway mileages, and that although a substantial number of such mileage computations have already been made, that it has been

impossible to complete the task within the time allowed in the order; and for these reasons, applicant requests a ninety day extension of time. The petitioner's request appears to be reasonable and, therefore, good cause appearing,

IT IS ORDERED:

(1) That paragraph (2) (b) of Decision No. 45016 is hereby amended to read as follows:

Applicants shall each, within 180 days after the effective date of this order and upon not less than 5 days' notice to the Commission and to the public, establish the service herein authorized and comply with the provisions of General Orders Nos. 80 and 93-A (Part IV), by filing, in triplicate, and concurrently making effective, tariffs and time schedules satisfactory to the Commission.

(2) That in all other respects, the order in Decision No. 45016 shall remain in full force and effect.

This order shall become effective on the date hereof.

Dated at San Francisco, California, this 15 day of May, 1951.
