FIRST SUPPLEMENTAL ORDER

By Decision No. 45537, dated April 3, 1951, in this proceeding, the Commission authorized Uehling Water Co. Inc., among other things, to adjust its books so as to include in its fixed capital accounts the historical cost appraisal submitted at the hearing as Exhibit No. 1, in the aggregate amount of \$85,622.80 as of December 31, 1950. Said decision required applicant to file with the Commission, for its approval, a copy of each journal entry used to adjust its books in accordance with the authority therein granted.

The company has filed its proposed entry. The Commission has considered the matter and is of the opinion that a supplemental order should be entered at this time as indicated herein; therefore,

IT IS HEREBY ORDERED as follows:

1. Uehling Water Co. Inc. may record on its books of account the proposed journal entry to adjust its fixed capital accounts so as to reflect the historical cost appraisal as of December 31, 1950.

2. The action taken herein is for accounting purposes only and shall not be construed to be a finding of the value of the properties represented by the figures contained in said journal entry.

3. The authority herein granted is effective upon the date hereof.

Dated at San Francisco, California, this 22nd day of May, 1951.
