at grade of industrial spur track)	Application No. 32534
across California Avenue (a County)	
Road), in the City of Fresno, County)	
of Fresno, State of California.)	

O R D E R

Southern Pacific Company is authorized to construct a track at grade across California Avenue near Fresno in Fresno County, at the location described in the application, to be identified as Crossing No. BC-207.65-C replacing an existing spur track crossing with said avenue. Construction of said crossing shall be equal or superior to Standard No. 2 of G. O. No. 72, without super-elevation and of a width to conform to the portion of the avenue now graded, with tops of rails flush with the roadway and with grades of approach not exceeding one per cent. Protection shall be by one Standard No. 1 crossing sign (G. O. No. 75-B). Applicant shall bear entire construction and maintenance expense.

Upon completion existing Crossing No. BC-207.68-C of a spur track with said California Avenue shall be removed.

Within thirty days after completion pursuant to this order, applicant shall so advise the Commission in writing. This authorization shall become void if not exercised within one year unless time be extended or if above conditions are not complied with. Authorization may be revoked or modified if public convenience, necessity or safety so require.

It is alleged that shipment of lumber for residential building is being delayed pending construction of this track and request is made that this authority be made effective immediately. For this reason the effective date of this order shall be the date hereof.

Dated at San Francisco, California, July 10,
1951.
