 authorizing the construction at grade)
 of yard track across McKinley Avenue) Application No. 32489
 in the City of Stockton, County of)
 San Joaquin.)

O R D E R

Southern Pacific Company is authorized to construct a side track to be used as a tail track in connection with switching operations in its Stockton yard at grade across McKinley Avenue near Stockton, San Joaquin County, at the location described in the application, to be identified as a portion of Crossing No. D-87.8. Construction of said crossing shall be equal or superior to Standard No. 2 of G. O. No. 72, without super-elevation and of a width to conform to the portion of the avenue now graded, with tops of rails approximately the same as those of the adjacent main-line tracks and flush with the roadway and with grades of approach not exceeding 3 per cent. Protection shall be by two Standard No. 8 crossing signals (G. O. No. 75-B) equipped with gate arms. Plans showing method of control of said signals shall be submitted for Commission approval prior to installation. Applicant shall bear entire construction and maintenance expense.

Within thirty days after completion pursuant to this order, applicant shall so advise the Commission in writing. This authorization shall become void if not exercised within one year unless time be extended or if above conditions are not complied with.

Authorization may be revoked or modified if public convenience, necessity, or safety so require.

The effective date of this order shall be twenty days after the date hereof.

Dated at San Francisco, California, this 24th day of July, 1951.
