O P I N I O N

By Decision No. 43372, dated October 5, 1949, on Application No. 30638, Asbury Rapid Transit System was granted a certificate of public convenience and necessity authorizing the establishment and operation of a service as a passenger stage corporation, as defined in Section 2 $\frac{1}{2}$ of the Public Utilities Act, for the transportation of passengers in the City of Burbank and in the community of North Hollywood. This authority was granted for a period of nine months in order to enable applicant and the City of Burbank to evaluate the service and, if desirable, to work out and make effective a franchise arrangement for the operation of this service.

By Decision No. 44805, dated September 19, 1950, on Application No. 30638, First Supplemental, the authority granted by Decision No. 43372, supra, was extended to and including May 1, 1951.

In the instant petition it is alleged that, while applicant and the City of Burbank have studied this operation, additional information is necessary before a final decision may properly be reached. Accordingly, in order to provide this additional time, and in the interim to provide the City of Burbank with service, it is requested that the authority granted in Decision No. 43372, supra, be extended to November 1, 1951.

After careful consideration of this matter, we are of the opinion that the request is in the public interest and should be granted.

O R D E R

Application as above entitled having been filed, the Commission being fully advised in the premises and hereby finding that public convenience and necessity so require,

IT IS ORDERED:

(1) That the authority granted to applicant in Decision No. 43372, dated October 4, 1949, on Application No. 30638, be extended to and including November 1, 1951, subject to all of the conditions contained in Decision No. 43372, supra.

(2) That applicant be, and it hereby is, authorized to deviate from the terms of General Order No. 79 to the extent

^ necessary to enable it to supplement its tariff upon one day's notice to the Commission and to the public.
