

Decision No. 46182

ORIGINAL

BEFORE THE PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA

In the Matter of the Application of Clarence F. Salz, an individual doing business as C. F. Salz Co., to lease public warehouse business to Ida M. Silva, Manuel Muniz and Ray M. Goulart, copartners doing business under the firm name and style of C. F. Salz Co., at Decoto, Alameda County, California.)
) Application No. 32724

OPINION AND ORDER

Clarence F. Salz, doing business as C. F. Salz Co., conducts public utility warehouse operations at Decoto. By this application authority is sought to lease the warehouse property and equipment to Ida M. Silva, Manuel Muniz and Ray M. Goulart, copartners doing business as C. F. Salz Co. The proposed lease is for a two-year period.

The verified application shows that Salz desires to withdraw from the warehouse business because of ill health; and that Silva and Muniz are experienced in the management and operation of the business. The copartners will continue to provide the public storage service now offered by Salz. No change is proposed in the rates therefor.

It appears that this is a matter in which a public hearing is not necessary and that the application should be granted.

Therefore, good cause appearing,

IT IS HEREBY ORDERED that Clarence F. Salz may, within sixty (60) days after the effective date hereof, lease the warehouse property and equipment involved in this proceeding to Ida M. Silva, Manuel Muniz and Ray M. Goulart, copartners doing business as

C. F. Salz Co., for a two-year period, as requested, and execute a lease in a form substantially the same as the form of lease attached to the application; that prior to the effective date of said lease, Clarence F. Salz shall, on not less than five (5) days' notice to the Commission and the public, supplement or reissue tariffs on file with the Commission insofar as they name rates, rules and regulations governing the warehouse operations here involved to show that Clarence F. Salz has withdrawn or canceled and that Ida M. Silva, Manuel Muniz and Ray M. Goulart have concurrently adopted or established as their own said rates, rules and regulations; and that the tariff filings made pursuant to this order shall in all other respects comply with the regulations governing the construction and filing of warehouse tariffs as set forth in the Commission's General Order No. 61.

The effective date of this order shall be ten (10) days after the date hereof.

Dated at San Francisco, California, this 12th day of September, 1951.
