Sacramento, State of California.)	

ORDER

Southern Pacific Company is authorized to construct a spur track at grade across Jiboom Street in the City of Sacramento, Sacramento County, at the location described in the application, to be identified as Crossing No. A-89.40-C. Construction of said crossing shall be equal or superior to Standard No. 2 of G. O. No. 72, without superelevation and of a width to conform to the portion of the street now graded, with tops of rails flush with the roadway and with grades of approach not exceeding two per cent. Protection shall be by one Standard No.1 crossing sign (G. O. No. 75-B). Applicant shall bear entire construction and maintenance expense.

Within thirty days after completion pursuant to this order, applicant shall so advise the Commission in writing. This authorization shall become void if not exercised within one year unless time be extended or if above conditions are not complied with. Authorization may be revoked or modified if public convenience, necessity, or safety so require.

The industry alleges it has priority for track construction, therefore, the railroad requests authority, if granted, be made effective immediately.

The effective date of this order shall be the date hereof.

Dated at San Francisco, California, October 2,
1951.
