O R D E R

Southern Pacific Company is authorized to construct a spur track at grade across State Highway Route 41 near Crows Landing, Stanislaus County, at the location described in the application, to be identified as Crossing No. BA-110.1-C. Construction of said crossing shall be equal or superior to Standard No. 2 of G. O. No. 72, without superelevation and of a width to conform to the portion of the highway now graded, with tops of rails flush with the roadway and with grades of approach not exceeding three per cent. Protection shall be by two Standard No. 8 crossing signals (G. O. No. 75-B).

Plans for the control of said signals and description of the method of control shall be filed with the Commission prior to installation. Applicant shall bear entire construction and maintenance expense.

Within thirty days after completion pursuant to this order, applicant shall so advise the Commission in writing. This authorization shall become void if not exercised within one year unless time

be extended or if above conditions are not complied with. Authorization may be revoked or modified if public convenience, necessity, or safety so require.

The effective date of this order shall be twenty days after the date hereof.

Dated at San Francisco, California, October 8, 1951.
