Application No. 32872

O R D E R

Southern Pacific Company is authorized to construct one additional spur track at grade across West Avenue 132 in San Leandro, Alameda County, at the location described in the application, to be identified as a portion of Crossing No. L-15.8. Construction of said crossing shall be equal or superior to Standard No. 2 of G.O. No. 72, without superelevation and of a width to conform to the portion of the street now graded, with tops of rails flush with the roadway and with grades of approach not exceeding two per cent. Protection shall be by existing Standard No. 8 crossing signals (G.O. No. 75-B), said additional spur track to be connected to the signals and signal circuits so arranged as to prevent excessive operation. Applicant shall bear entire construction and maintenance expense.

Within thirty days after completion pursuant to this order, applicant shall so advise the Commission in writing. This authorization shall become void if not exercised within one year unless time be extended or if above conditions are not complied with. Authorization may be revoked or modified if public convenience,

necessity, or safety so require.

The effective date of this order shall be twenty days after the date hereof.

Dated at San Francisco, California, this 20<sup>th</sup> day of November, 1951.
