In the Matter of the Application)	
of Max Fund for exemption from)	Application No. 30515

Order No. 84C.)	

SECOND SUPPLEMENTAL OPINION AND ORDER

Applicant holds city carrier and highway contract carrier permits. By Decision No. 45001 of November 8, 1950, in this proceeding, he was authorized to handle C.O.D. (collect on delivery) shipments for Grether and Grether, Inc., without securing and filing a surety bond as required by General Order No. 84C. This authority expired November 28, 1951. Applicant now seeks its reinstatement. The shipper involved has again voluntarily waived the protection afforded by the C.O.D. bond requirements.

It appears that this is a matter in which a public hearing is not necessary and that reinstatement of applicant's authority is justified.

Because the conditions under which the C.O.D. service in question is performed may change at any time, the reinstated authority will be limited to a one-year period and made subject to such earlier cancellation, change or further extension as circumstances may require.

Therefore, good cause appearing,

IT IS HEREBY ORDERED that Max Fund be and he is hereby authorized to handle C.O.D. shipments for Grether and Grether, Inc., without providing and filing the surety bond required by General Order No. 84C; that this authority shall expire one (1) year after the effective date of this order, unless sooner canceled, changed or extended by order of the Commission; and that in all other respects the rules and regulations set forth in General Order No. 84C shall govern the C.O.D. services involved in this proceeding.

This order shall become effective twenty (20) days after the date hereof.

Dated at San Francisco, California, this 11th day of December, 1951.
