Application No. 32680

O R D E R

State of California, Department of Public Works is authorized to construct "J" Street at separated grades under the tracks of the Sacramento via Niles Line of Southern Pacific in the City of Sacramento, Sacramento County, at the location as shown by map (Exhibit B) attached to the application, to be identified as Crossing No. D-134.3-B. Construction and maintenance expense shall be borne in accordance with an agreement entered into between the parties relative thereto, and copy of said agreement, together with plans of said crossing approved by Southern Pacific Company, shall be filed with the Commission prior to commencing construction. Upon completion of the underpass, the Southern Pacific Company shall take the necessary steps to close the private crossing located approximately 260 feet south of the proposed underpass.

Within thirty days after completion pursuant to this order applicant shall so advise the Commission in writing. This

authorization shall become void if not exercised within two years, unless time be extended or if conditions are not complied with. The effective date of this order shall be twenty days after the date hereof.
