Application No. 32921

O R D E R

The Department of Public Works of the State of California is authorized to construct Indian Avenue, a county highway (Federal Aid Secondary Route 1178), at separated grades over the El Paso main line of Southern Pacific Company, at the location as shown by maps (Exhibits "B" and "C") attached to the application, to be identified as Crossing No. B-588.3-A. Clearances shall conform to the provisions of General Order No. 26-D.

Construction and maintenance expense shall be borne in accordance with terms of an agreement entered into between the Department of Public Works of the State of California, the County of Riverside, and Southern Pacific Company, and a copy of said agreement, together with plans of the crossing at separated grades,

approved by the County of Riverside and Southern Pacific Company, shall be filed with the Commission prior to commencing construction. Should the parties fail to agree, the Commission will apportion the cost of construction and maintenance by further order.

Upon completion of the grade separation and its being opened to public use and travel, the grade crossing located at Mile Point 588.1 at Garnet Station shall be abandoned and closed.

Within thirty (30) days after completion pursuant to this order, applicant shall so advise the Commission in writing. This authorization shall become void if not exercised within two (2) years, unless time be extended, or if above conditions are not complied with. Authorization may be revoked or modified if public convenience, necessity, or safety so require.

Application No. 32405, filed by the County of Riverside, to effect a similar improvement, is hereby dismissed without prejudice.

The effective date of this order shall be twenty (20) days after the date hereof.

Dated at San Francisco, California, this 13th day of February, 1952.
