FIRST SUPPLEMENTAL ORDER

By Decision No. 46217, dated September 25, 1951, the Commission authorized Jefferys' Mill & Warehouse Company, Inc. to issue a \$50,000 note on or before December 31, 1951, for the purpose of paying indebtedness, of financing the cost of equipment, and of providing working capital.

The application showed that the \$50,000 note would be subscribed in the amount of 70% by the Reconstruction Finance Corporation and in the amount of 30% by the Bank of Davis. It now appears that the transaction has not been completed but that arrangements have been made for an extension of the commitment to June 16, 1952. Accordingly, applicant has asked the Commission to make an order extending the time within which it might issue the note.

The Commission has considered this matter and is of the opinion that the request should be granted, as herein provided; therefore,

IT IS HEREBY ORDERED as follows:

1. Jefferys' Mill & Warehouse Company, Inc. may issue the \$50,000 note authorized by Decision No. 46217, dated September 25, 1951, on or before June 30, 1952.

2. The order in said Decision No. 46217, dated September 25, 1951, shall remain in full force and effect except as modified by this first supplemental order.

3. This first supplemental order will become effective upon the date hereof.

Dated at San Francisco, California, this 19th day of February, 1952.
