O R D E R

Southern Pacific Company is authorized to construct a spur track at grade across the northeasterly roadway of San Fernando Road in Los Angeles, Los Angeles County, at the location described in the application, to be identified as Crossing No. B-465.85-C. Construction of said crossing shall be equal or superior to Standard No. 2 of G. O. No. 72, without superelevation and of a width to conform to the portion of the road now graded, with tops of rails flush with the roadway and with grades of approach not exceeding two per cent. Protection shall be by two Standard No. 1 crossing signs (G. O. No. 75-B). Applicant shall bear entire construction and maintenance expense.

Within thirty days after completion pursuant to this order, applicant shall so advise the Commission in writing. This authorization shall become void if not exercised within one year unless time be extended or if above conditions are not complied with. Authorization may be revoked or modified if public convenience, necessity, or safety so require.

Said spur track is to serve a plant of the Department of Water and Power of the City of Los Angeles and is required for delivery of boiler plate now en route. For this reason the effective date of this order shall be the date hereof.

Dated at San Francisco, California, this 14th day of March, 1952.
