Case No. 4808

SUPPLEMENTAL OPINION AND ORDER

Distance Table No. 4 established by Decision No. 46022 of July 31, 1951, as amended, in this proceeding, sets forth revised constructive highway mileages to be used in determining minimum rates. It has now developed that the mileages between Clovis and Soledad, Greenfield and King City were incorrectly computed and that the mileage basing point for Crockett was incorrectly stated. The necessary changes will be made.

Therefore, good cause appearing,

IT IS HEREBY ORDERED that Distance Table No. 4 (Appendix "A" to Decision No. 46022 as amended) be and it is hereby further amended by incorporating therein, to become effective June 1, 1952, the revised pages attached hereto and by this reference made a part hereof, which pages are numbered as follows:

First Revised Page 31 cancels Original Page 31
First Revised Page 32 cancels Original Page 32
Second Revised Page 69 cancels First Revised Page 69
Second Revised Page 70 cancels First Revised Page 70

In all other respects said Decision No. 46022, as amended, shall remain in full force and effect.

This order shall become effective twenty (20) days after the date hereof.

Dated at San Francisco, California, this 4th day of April, 1952.
