ORDER SETTING ASIDE SUBMISSION
AND REOPENING FOR FURTHER HEARING

Since submission of this matter on April 26, 1950, the Pacific Gas and Electric Company has negotiated for purchase of Mr. Cooper's system and plans extension of its main gas system to this area. Such added facilities may completely satisfy the complainant in this proceeding; therefore, it appears advisable to reopen the proceeding for such added testimony as is necessary to render a decision that will reflect the latest developments.

IT IS HEREBY ORDERED that the submission heretofore entered in the above-entitled matter is set aside and the matter reopened for further hearing before Examiner Edwards at 11 a.m. on Monday, April 21, 1952, at the Women's Clubhouse, Waterford, California.

Dated at San Francisco, California, this 14th day of

April, 1952.
