SECOND SUPPLEMENTAL ORDER

By Decision No. 46217, dated September 25, 1951, as amended, the Commission authorized Jefferys' Mill & Warehouse Company, Inc. to issue a note for not more than \$50,000, provided the company file a copy of a proposed deed of trust securing the payment of said note and receive from the Commission a supplemental order approving the execution of the same.

The company now has filed a copy of the deed of trust securing the payment of the note issued under the authority granted by the Commission. The Commission has considered the filing and is of the opinion that it should enter its order approving the same; therefore,

IT IS HEREBY ORDERED as follows:

1. The Commission hereby authorizes the execution of the deed of trust by Jefferys' Mill & Warehouse Company, Inc. to secure the payment of the note issued under authority granted by Decision No. 46217, dated September 25, 1951, as amended.

2. This second supplemental order is effective upon the date hereof.

Dated at San Francisco, California, this 13th day of May, 1952.
