

Decision No. 47138

ORIGINAL

BEFORE THE PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA

In the Matter of the Application of
SUNSET STAGES, a corporation, for
permission to execute deed of trust.

Application
No. 32519
(First Supplemental)

FIRST SUPPLEMENTAL ORDER

By Decision No. 45946, dated July 17, 1951, the Commission authorized Sunset Stages to issue a note in the principal amount of \$22,500 and to execute a deed of trust covering certain real property situated in Lawndale described as Lots, 10, 11, 12, 13, 14, 15, 16, and 17 of Tract No. 13911.

In a supplemental application filed on April 30, 1952, applicant reports that through inadvertence Lots 9 and 18 of said Tract No. 13911 were omitted from the description of the property to be subjected to the lien of the deed of trust, that said lots and those described in the original application are included in one parcel of land that is occupied and used by applicant, and that it was intended to include them under the deed of trust. Applicant has requested a supplemental order authorizing it to amend the deed of trust so as to include the two lots.

The Commission has considered this matter and is of the opinion applicant's request should be granted; therefore,

IT IS HEREBY ORDERED as follows:

1. Sunset Stages may amend the deed of trust authorized by Decision No. 45946, dated July 17, 1951, so as to include Lots 9 and 18 of Tract No. 13911 among the lots covered by said deed of trust.

2. This first supplemental order is effective upon the date hereof.

Dated at San Francisco, California, this 13th day of May, 1952.
