Application No. 32542

ORDER DISMISSING APPLICATION

Pacific Gas and Electric Company having filed the above-entitled and numbered application requesting authority to carry out the terms and conditions of a certain contract with Meadow Vista County Water District, dated June 15, 1951, relating to the sale by Pacific and purchase by District of water for resale by District to the latter's customers within the boundaries of said District in Placer County, California; hearings having been held in this proceeding on August 8, 1951 and March 13, 1952, subsequent to which Company and District have entered into and executed a new contract, dated April 30, 1952, which cancels and supersedes said contract dated June 15, 1951, and which provides, in substance, that water service will be made available, under the terms of said new contract, to residents in the District as customers of the Company, in lieu of the wholesale water service provided for in said contract dated June 15, 1951; the Company, through its attorney, having advised the Commission in writing that by execution of said new contract of April 30, 1952, Company and

District have amicably disposed of the matters which gave rise to controversy in the instant proceeding and having requested that the Commission dismiss said proceeding without prejudice;

Now, therefore, good cause appearing, IT IS ORDERED that Application No. 32542 of Pacific Gas and Electric Company, filed with the Commission on June 29, 1951, be and said application hereby is dismissed without prejudice.

Dated at San Francisco, California, this 27th day of May, 1952.
