exemption from the provisions of)	
General Order 84B regarding C.O.D.)

OPINION AND ORDER

Applicant holds a city carrier permit. Under the provisions of General Order No. 84C he may not handle C.O.D. (collect on delivery) shipments until he provides a bond of not less than \$2,000 and files such a bond with the Commission. He seeks exemption from these requirements in connection with shipments transported for Tower Drug Store and Eales Pharmacy in Sacramento. They have informed the Commission in writing that the bonding of applicant is not necessary in connection with their C.O.D. consignments.

The bonding provisions were established primarily for the protection of shippers. Since that protection has been voluntarily waived by the shippers involved, it appears that the sought exemption is justified. A public hearing is not necessary.

Attention is called to the fact that the exemption herein granted will extend only to shipments transported for Tower Drug Store and Eales Pharmacy. Should applicant desire to handle C.O.D. shipments for anyone else, all outstanding requirements must be met.

Because the conditions under which the C.O.D. service in question is performed may change at any time, the exemption will be

limited to a one-year period and made subject to such earlier cancellation, change or extension as circumstances may require.

Therefore, good cause appearing,

IT IS HEREBY ORDERED that Don Tresca, doing business as Don's Delivery Service, be and he is hereby authorized to handle C.O.D. shipments for Tower Drug Store and Eales Pharmacy without providing and filing the bond required by General Order No. 84C; that this authority will expire one (1) year after the effective date of this order, unless sooner canceled, changed or extended by order of the Commission; and that, in all other respects, the rules and regulations set forth in General Order No. 84C shall govern the C.O.D. services involved in this proceeding.

This order shall become effective twenty (20) days after the date hereof.

Dated at San Francisco, California, this 17th day of June, 1952.
