

**ORIGINAL**

Decision No. 47300

BEFORE THE PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA

(AMENDED TITLE)

In the matter of the application of  
PACIFIC GAS AND ELECTRIC COMPANY for  
an order of the Public Utilities Com-  
mission of the State of California  
authorizing it to withdraw and cancel  
all of its filed and effective rate  
schedules applicable to natural gas  
service and its Rule and Regulation  
No. 15 (Gas Main Extensions), and  
to file and make effective in lieu  
thereof the natural gas rate  
schedules, and revised Rule and  
Regulation attached to and made a  
part hereof.

Application No. 31466  
(Amended)

SECOND SUPPLEMENTAL ORDER

Applicant, by letter dated May 14, 1952, filed a request for an extension of six months' time in which to complete the cost-of-service study required in Paragraph 3 of Decision No. 46268 herein.

Upon subsequent inquiry, applicant states it expects the study to be completed about the middle of September, 1952.

As the order requiring the study was dated October 2, 1951, the Commission does not feel an extension to December 31, 1952 is warranted, but will authorize an extension to September 30, 1952.

Good cause appearing, therefore,

IT IS HEREBY ORDERED that the date for completion and submission of said cost-of-service study shall be changed from June 30, 1952 to September 30, 1952.

The effective date of this order shall be the date hereof.

Dated at San Francisco California, this 24<sup>th</sup> day of June, 1952.
