Application No. 33440

O R D E R

The City of Oxnard is authorized to construct a pedestrian crossing in the vicinity of "H" Street, across the Patterson Branch of Ventura County Railway Company, in the City of Oxnard, at the location described in the application, to be identified as Crossing No. 45D-1.55-D. Applicant shall bear the entire construction expense, also maintenance cost outside of lines two feet outside of rails. Ventura County Railway Company shall bear maintenance cost between such lines. Width of crossing shall be not more than five feet, and grades of approach as determined from cross-sectional elevation shown on Exhibit "B" attached to the application. Construction shall be equal or superior to Standard No. 1 of General Order No. 72. Protection shall be by two special pedestrian crossing warning signs of a type to be approved by the Commission's engineers.

Within thirty (30) days after completion pursuant to this order, applicant shall so advise the Commission in writing. This

authorization shall become void if not exercised within one (1) year, unless time be extended, or if above conditions are not complied with. Authorization may be revoked or modified if public convenience, necessity, or safety so require.

The effective date of this order shall be twenty (20) days after the date hereof.

Dated at San Francisco, California, this 24th day of June, 1952.
