O R D E R

Southern Pacific Company is authorized to construct a drill track at grade across Virginia Avenue in Kern County, at the location described in the application, to be identified as Crossing No.

BT-314.67-C. Construction of said crossing shall be equal or superior to Standard No. 2 of G.O. No. 72, without superelevation and of a width to conform to the portion of the avenue now graded, but not less than 24 feet, with tops of rails flush with the roadway and with grades of approach not exceeding 2 per cent. Protection shall be by 2 Standard No. 1-A crossing signs (G.O. No. 75-B) or 2 reflectorized Standard No. 1 signs. Applicant shall bear entire construction and maintenance expense.

Within thirty days after completion pursuant to this order, applicant shall so advise the Commission in writing. This authorization shall become void if not exercised within one year unless time be extended or if above conditions are not complied with. Authorization may be revoked or modified if public convenience, necessity, or safety so require.

The effective date of this order shall be twenty days after the date hereof.

Dated at San Francisco, California, this 22nd day of July, 1952.
