Alameda, State of California. )

O R D E R

The Western Pacific Railroad Company is authorized to construct a spur track at grade across Third Street and Union Street in Oakland, Alameda County, at the location described in the application, to be identified as Crossing No. 4-6.44-C and as a portion of Crossing No. 4-6.28-C respectively. Construction of said crossings shall be equal or superior to Standard No. 2 of G. O. No. 72, without superelevation and of a width to conform to the portion of the street now graded, with tops of rails flush with the roadway and with grades of approach not exceeding two per cent. Protection shall be by two Standard No. 1 crossing signs (G. O. No. 75-B) at each location. Applicant shall bear entire construction and maintenance expense.

Within thirty days after completion pursuant to this order, applicant shall so advise the Commission in writing. This authorization shall become void if not exercised within one year unless time be extended or if above conditions are not complied with.

Authorization may be revoked or modified if public convenience, necessity or safety so require.

The effective date of this order shall be twenty days after the date hereof.

Dated at South Pasadena, California, this 11th day of August, 1952.
