Application No. 32434
 1st Supplemental

O P I N I O N

By Decision No. 45976, applicant was authorized to operate a passenger stage service between Lake Gregory on the one hand, and on the other hand a point on Crest Forest Drive approximately three city blocks south of Fern Drive in the Village of Crestline, all in San Bernardino County, serving all intermediate points for the period commencing June 15 and continuing through October 1 of each year. Applicant now requests permission to extend his service from Crestline Village and Lake Gregory to a resort known as the Valley of Enchantment, situated approximately one and one-half miles from the Crestline community. Six round trips per day are proposed on a seasonal basis between June 15 and October 1. The fares will be 10 cents one way, with free transportation for children under five years of age when accompanied by an adult.

The application is not opposed by Jack A. Roesch, the only other passenger stage operator in that locality.

Having fully considered the matter, the Commission finds that public convenience and necessity require the establishment and operation of a passenger stage service as proposed. The application will be granted. A public hearing is not necessary.
