 the construction at grade of industrial)
 spur track across Braley Avenue at North) Application No. 33788
 Fresno, in the County of Fresno, State of)
 California.

O R D E R

Southern Pacific Company is authorized to construct a spur track at grade across Braley Avenue near Fresno, Fresno County, at the location described in the application, to be identified as Crossing No. B-199.7-C. Construction of said crossing shall be equal or superior to Standard No. 2 of G. O. No. 72, without superelevation and of a width to conform to the portion of the avenue now graded, with tops of rails flush with the roadway and with grades of approach not exceeding one per cent. Protection shall be by two Standard No. 1-A crossing signs (G. O. No. 75-B). Applicant shall bear entire construction and maintenance expense.

Within thirty days after completion pursuant to this order, applicant shall so advise the Commission in writing. This authorization shall become void if not exercised within one year unless time be extended or if above conditions are not complied with. Authorization may be revoked or modified if public convenience, necessity, or safety so require. Applicant alleges that industry to be served by said track needs immediate use thereof and requests that the order become effective on the date hereof. Therefore, the effective date of this order shall be the date hereof.

Dated at San Francisco, California, Oct. 14, 1952.
