Application No. 33748

ORDER REVOKING CERTIFICATE

The Commission is herein petitioned by Doyle R. Sorenson to revoke his highway common carrier certificates authorizing service between Marysville and Yuba City, Marysville and Marysville Cantonment (Camp Beale) and Chico and Chico Flying School.

It appears that Sorenson's operative right between Chico and Chico Flying School was revoked, upon his application, by Decision No. 39529 dated October 15, 1946.

Petitioner alleges that there is not enough business to warrant serving these points and that he has not served them for five years. Therefore, by virtue of the premises,

IT IS ORDERED that the certificate of public convenience and necessity granted to Doyle R. Sorenson by Decision No. 37122, dated June 13, 1944 in Application No. 25986 be and it is hereby revoked and all effective tariffs and time schedules on file with the Commission in connection with such operation be and they are hereby canceled.

The effective date of this order shall be twenty (20) days after the date hereof.

Dated at San Francisco, California, this 28<sup>th</sup> day of October, 1952.
