ORDER OF DISMISSAL

Pacific Van & Storage Co., Inc. on November 14, 1952, filed this application for authorization to issue and sell 2,750 shares (\$27,500 par value) of its common stock. Subsequently, on December 4, 1952, it reported that it has made application for permits to operate as a household goods carrier, a city carrier and a radial highway common carrier and that it does not intend to perform any of the functions of a public utility as defined in the Public Utilities Code. It therefore has requested the Commission to dismiss its application.

The Commission has considered this matter, and good cause appearing therefor,

IT IS HEREBY ORDERED that Application No. 33891 of Pacific Van & Storage Co., Inc. be, and it hereby is, dismissed without prejudice.

Dated at Los Angeles, California, this 16th day of December, 1952.
