Application No. 33941

FIRST SUPPLEMENTAL ORDER

By Decision No. 48097, dated December 22, 1952, the Commission authorized Suburban Water Company to transfer, convey and assign its properties to California Water Service Company, such authority to become effective 20 days after the date of said decision.

It appears that applicants desire to consummate the transaction immediately following the first of the calendar year in order to simplify the accounting procedure of the purchaser and that they desire the order of the Commission to be amended with respect to the effective date.

The Commission has considered this matter and is of the opinion that a supplemental order should be entered; therefore,

IT IS HEREBY ORDERED that ordering paragraph 9 of the Order in Decision No. 48097, dated December 22, 1952, be, and it hereby is, amended to read as follows:

9. The authority herein granted will become effective upon the date hereof.

IT IS HEREBY FURTHER ORDERED that this first supplemental order is effective upon the date hereof.

Dated at San Francisco, California, this 29th day of December, 1952.
