Decision No. 48159

BEFORE THE PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA

Application of Pacific Greyhound Lines)	
for authority to change an authorized)	Application No. 33956
route of operation within the City of)	
Sacramento.)	

O P I N I O N

In this proceeding Pacific Greyhound Lines requests authority to operate over 7th Street, Q Street and 30th Street, between the junction of 7th Street and P Street and the junction of P Street and 30th Street in the city of Sacramento. Such operation would be in addition to the use of P Street between its junctions with 7th Street and 30th Street.

As justification for the authority sought, applicant states that under recently effective municipal regulations P Street and Q Street are now one-way streets for westbound and eastbound traffic respectively, applicable between 7th and 30th Streets.

After full consideration of applicant's request we find that public convenience and necessity require the establishment of operation by applicant over 7th Street, Q Street and 30th Street which will be authorized by the issuance of an appropriate amendment to Appendix A of Decision No. 47907. There is no protest to the application and no public hearing is necessary.

O R D E R

An application therefor having been filed and the Commission having found that public convenience and necessity so require,

IT IS ORDERED:

(1) That Appendix A of Decision No. 47907, Application No. 31883, is hereby amended by incorporating therein original page 76-A which is attached hereto.

(2) That the authority herein granted is consolidated with and made a part of the operative rights created by Decision No. 47907 and is subject to all of the provisions as set forth therein.

(3) That in all other respects said Decision No. 47907 shall remain in full force and effect.

The effective date of this order shall be twenty (20) days after the date hereof.

Dated at San Francisco, California, this 13th day of January, 1953.
