

payment by North American of a monthly sum equal to one and one-quarter per cent (1¼%) of the added investment necessary to render such alternate service. The monthly payments made previous to the time when final cost figures are determined shall be subject to adjustment when said final cost figures are determined. The term of said agreement is for a period of five years from the date of availability of service thereunder and from year to year thereafter or until such time as the agreement covering the supply of electric service to North American's plant is terminated, subject, however, to the right of either party to terminate the agreement for alternate line service upon six months' written notice. The agreement further provides that should North American abandon said alternate service line at any time during the five years following the date upon which construction of said alternate service line is completed, North American will upon demand pay to applicant within thirty (30) days thereafter the sum of \$5,823 which shall be deemed to be the installation and removal costs of said alternate service line.

In its application the applicant states that the terms and conditions set forth in the agreement are fair, just and reasonable.

The agreement contains provisions that it shall not become effective until approved by the Commission and that it shall be subject at all times to change or modification as directed by this Commission in the exercise of its jurisdiction.

The Commission having considered the above-entitled application and being of the opinion that the request of applicant should be granted, and that a public hearing thereon is not necessary,

IT IS HEREBY ORDERED that Southern California Edison Company be and it is authorized to carry out the terms and

conditions of the written agreement dated October 3, 1952 with North American Aviation, Inc. and to render the service described therein under the terms, charges and conditions stated therein.

IT IS HEREBY FURTHER ORDERED that Southern California Edison Company shall file with the Commission a statement showing the date on which service thereunder is established and shall file a statement promptly after termination, showing the date when said agreement was terminated.

The effective date of this order shall be twenty (20) days after the date hereof.

Dated at San Francisco, California, this 27th day of January, 1953.
