Application No. 33991

O P I N I O N

In this proceeding, Ernest E. Stubblefield requests the Commission to renew his license to continue his business as a motor transportation broker.

Applicant has been engaged in the business of a motor transportation broker since November, 1949 pursuant to authority of the Commission. He is so engaged at 228 Wholesale Terminal Building, 1304 East Seventh Street, Los Angeles 21, California, pursuant to a renewed license issued to him by the Commission in Decision No. 46667 dated January 22, 1952 in Application No. 33029. This license expired December 31, 1952 and is renewable subject to the provisions of the statute and those prescribed by the Commission.

Applicant plans to continue the business at the same location and for the same carriers as heretofore designated by Decisions Nos. 45379 and 46667. He has on file a bond as required by the provisions of Section 4838 of the Public Utilities Code.

After full consideration of applicant's request it appears that the license should be renewed. A public hearing is not deemed necessary.
