certificate of public convenience and)
necessity to operate service as a) Application No. 31222
petroleum irregular route carrier over)
all public highways and between all)

ORDER REVOKING OPERATIVE RIGHTS

By application filed with this Commission October 30, 1952,
Martin H. Richards, doing business as Richards Transportation Co.
requests the revocation of the certificate of public convenience and
necessity issued by Decision No. 44395 dated June 20, 1950 in
Application No. 31222. As reason for such request, applicant alleges
that he discontinued operations on or about June 5, 1950. All
permits held by applicant were revoked July 6, 1950 because of the
sale of his business and all equipment to Signal Trucking Service,
Ltd. Said sale included his operative rights granted by Decision
No. 43049 dated June 28, 1949 in Application No. 29629 but not the
rights granted by said Decision No. 44395. His actual operation
coincided with the rights sold and applicant has never served the
public pursuant to any rights under the certificate herein sought to
be revoked. Consequently the Commission finds that Martin H.
Richards has not conducted and is not now conducting service as a
petroleum irregular route carrier. A public hearing is unnecessary.

Application therefor having been filed and the Commission
being fully advised in the premises,

IT IS ORDERED that the certificate of public convenience
and necessity granted to Martin Richards doing business as Richards

Transportation Co. by Decision No. 44395 dated June 20, 1950 in Application No. 31222 is revoked.

The effective date of this order shall be twenty days after the date hereof.

Dated at _San Francisco_____, California, this
_____16ᵗʰ_____ day of ___March_____, California.
