Decision No. 48346

BEFORE THE PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA

In the Matter of the Establishment of rates, rules and regulations for the transportation of property by radial highway common carriers and highway contract carriers between, and by city carriers within, the Cities of Oakland, Alameda, Albany, Berkeley, Emeryville and Piedmont. )

Case No. 4108

In the Matter of the Investigation and Establishment of rates, charges, classifications, rules, regulations, contracts and practices of East Bay Drayage and Warehouse Co., et al., between the Cities of Oakland, Alameda, Albany, Berkeley, Emeryville and Piedmont. )

Case No. 4109

SUPPLEMENTAL OPINION AND ORDER

Prior to February 15, 1953, City Carriers' Tariff No. 2-A - Highway Carriers' Tariff No. 1-A (East Bay Drayage) provided minimum class rates subject only to less-carload classification ratings and to certain exception ratings named in the tariff. On that date the tariff was amended to provide rates subject to the classification's carload ratings (Decision No. 48187 of January 19, 1953). Through inadvertence the exception ratings were not limited to less-carload traffic. Decision No. 48187 also made certain changes in packing requirements. The exception ratings were made generally subject to the new requirements, disregarding packing restrictions specifically provided for in some of the exceptions. These inadvertences should be corrected immediately.

Therefore, good cause appearing,

IT IS HEREBY ORDERED that City Carriers' Tariff No. 2-A - Highway Carriers' Tariff No. 1-A (Appendix "A" of Decision No. 41362 as amended) be and it is hereby further amended by incorporating

therein, to become effective March 11, 1953, the revised pages attached hereto and by this reference made a part hereof, which pages are numbered as follows:

IT IS HEREBY FURTHER ORDERED that tariff publications of common carrier respondents in Case No. 4109 filed as a result of this order may be made effective on not less than one day's notice to the Commission and to the public.

This order shall become effective on the date hereof.
