ORIGINAL

Decision No. 48414

BEFORE THE PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA

In the Matter of the Application of Roseville Telephone Company, for authority to issue 7,500 shares of its common stock at \$10.00 par value.

Application
No. 32855
(Second Supplemental)

SECOND SUPPLEMENTAL ORDER

By Decision No. 46404, dated November 13, 1951, as amended, the Commission authorized Roseville Telephone Company to issue and sell, at par for cash, on or before December 31, 1952, not exceeding 7,500 shares (\$75,000 par value) of its common stock for the purpose of paying indebtedness and of financing the cost of additions and improvements to its plant.

It appears that prior to December 31, 1952, applicant sold all but 2,300 shares of those authorized by the Commission's decision, that it has made or is making arrangements to dispose of such shares, and that it would like an extension of time to proceed with the sale.

The Commission has considered this matter and is of the opinion that applicant's request should be granted; therefore,

IT IS HEREBY ORDERED as follows:

1. The time within which Roseville Telephone Company may issue and sell the shares of stock authorized by Decision No. 46404, dated November 13, 1951, as amended, hereby is extended to and including December 31, 1953.

2. This second supplemental order will become effective upon the date hereof.

Dated at San Francisco, California, this 30th day of March, 1953.
