Application No. 31225

ORDER REVOKING OPERATIVE RIGHTS

It appearing by Commission Decision No. 44474 dated June 27, 1950, in the above proceeding, that Walter H. Allen was authorized to establish and operate a service as a petroleum irregular route carrier throughout the state for the transportation of petroleum and petroleum products in tank trucks and tank trailers, pursuant to the provisions of Section 50-3/4 of the Public Utilities Act, now Section 1063 of the Public Utilities Code; that said Walter H. Allen by letter dated June 15, 1951, advised the Commission that he was quitting business and had sold his equipment; that his wife by letter dated November 14, 1951, requested that the operative rights be revoked; that it appears no operations under said certificate have been performed subsequent to June 15, 1951; therefore, it is found that Walter H. Allen is no longer conducting and has discontinued said petroleum irregular route operation.

IT IS ORDERED that the certificate issued to Walter H. Allen by Decision No. 44474 in this proceeding is revoked and all effective tariffs on file in the name of Walter H. Allen are hereby canceled.

The Secretary is directed to cause a certified copy of this order to be served upon Walter H. Allen.

The effective date of this order shall be the twentieth day after service of a copy hereof upon Walter H. Allen, unless said Walter H. Allen before such effective date shall have filed with this Commission a written response to this order, denying the facts set forth herein and requesting a public hearing thereon, in which event the effective date of this order will thereby be stayed until hearing is had and further order issued.

Dated at San Francisco, California, this 7th day of March, 1953.
