Application No. 34078

O R D E R

The City of Bakersfield is authorized to reconstruct and widen the crossing of Union Avenue at grade with tracks of Southern Pacific Company, (Crossing No. B-312.3), in the City of Bakersfield, Kern County, as described in the application and in accordance with the plan attached thereto. Width of crossing shall be not less than 95.5 feet and grades of approach not greater than two per cent. Construction shall be equal or superior to Standard No. 2 of General Order No. 72. Protection shall be by four Standard No. 8 flashing light signals (G.O. No. 75-B).

Construction expense shall be apportioned by agreement between the parties or, if they fail to agree, by further order of the Commission. Maintenance cost outside of lines two feet outside of rails shall be borne by applicant. Southern Pacific Company shall bear maintenance cost between such lines.

Within thirty days after completion pursuant to this order, applicant shall so advise the Commission in writing. This authorization shall become void if not exercised within one year unless time be extended, or if above conditions are not complied with.

Authorization may be revoked or modified if public convenience, necessity, or safety so require. The effective date of this order shall be twenty days after the date hereof.

Dated at San Francisco, California, this
5th day of May 1953.
