ORDER

Northwestern Pacific Railroad Company is authorized to construct an additional side track at grade across a county road near Bailhache, Sonoma County, at the location described in the application, to be identified as a portion of Crossing No. 5-66-9.. Construction of said crossing shall be equal or superior to Standard No. 2 of G. O. No. 72, without super-elevation and of a width to conform to the portion of the road now graded, with tops of rails flush with the roadway and with grades of approach not exceeding two per cent. Protection shall be by two reflectorized Standard No. 1 crossing signs (G. O. No. 75-B). Applicant shall bear entire construction and maintenance expense.

Within thirty days after completion pursuant to this order, applicant shall so advise the Commission in writing. This authorization shall become void if not exercised within one year unless time be extended or if above conditions are not complied with. Authorization may be revoked or modified if public convenience, necessity, or safety so require.

Applicant has requested authority for immediate construction of track to expedite train movements in the area, therefore, effective date of this order shall be the date hereof.

Dated at Santa Rosa, California this 26<sup>th</sup> day of May, 1953.
