of Ruell Mullin, dba Moons Moving)	
Service, for exemption from the)	Application No. 34510
provisions of General Order)	
No. 84C regarding C.O.D. bond.)	

OPINION AND ORDER

Applicant holds city and highway carrier permits. By Decision No. 46795 of February 26, 1952, in Application No. 33135, he was authorized to handle C.O.D. (collect on delivery) shipments for Montgomery Ward & Co. without securing and filing a bond with the Commission as required by General Order No. 84C. This authority expired March 17, 1953. Applicant now seeks its reinstatement. The shipper involved has again voluntarily waived the protection afforded by the C.O.D. bond requirements.

It appears that this is a matter in which a public hearing is not necessary and that reinstatement of relief from the bond filing requirements for a further one-year period is justified.

Therefore, good cause appearing,

IT IS HEREBY ORDERED that Ruell Mullin, doing business as Moons Moving Service, be and he is hereby authorized to handle C.O.D. shipments for Montgomery Ward & Co. without providing and filing the bond required by General Order No. 84C; that this authority shall expire one year after the effective date of this order, unless sooner canceled, changed or extended by order of the Commission; and that in all other respects the

A.34510 pc

rules and regulations set forth in General Order No. 84C shall govern the C.O.D. services involved in this proceeding.

This order shall become effective twenty days after the date hereof.

Dated at San Francisco, California, this 14th day of July, 1953.
